

CHROMING

Industrial Hard Chrome Plating

Quality and Service

Our complete in-house Chroming Department offers industrial hard chrome plating and precision grinding at a competitive price with a quick turnaround.

Our complete chrome plating department utilizes the Heef 25 chromium process operating 24 hours a day, 7 days a week. Each item is finished to strict quality control standards by skilled operators who are committed to customer satisfaction.

All sizes of Cylinder Rods • Swivels • Plates • Pins
Polishing • Grinding • Sandblasting

Machine and Grind

We have a complete machine shop to finish off the chroming process. After the chroming process, we machine and polish each rod to strict quality standards.
