

CYLINDERS

New • Replacement • Custom Built

Our hydraulic cylinder specialists have more than 165 years of combined experience in remanufacturing cylinders. The management team and crew are dedicated to giving our customers the best service available. We can repair your obsolete cylinders or design and build you a custom cylinder.

Our complete in-house Chroming Department offers industrial hard chrome plating and precision grinding at a competitive price and quick turnaround.

**Chip Dump • Crane • Press • Telescopic • Shear
Excavator • Steering • Marine • Mining • Earthmoving**
