

DISTRIBUTION

Parts • New Components • Factory Remans

Kawasaki

K3V Series

Linde

HPV-02 Series

Rexroth

The Distribution Department at Hydraulic Repair and Design has a large inventory of new units, factory reman, OEM parts, and Quality Controlled Aftermarket Parts. This department specializes in sourcing the hard to find components that fit the foreign excavator. It is our goal to supply the most complete line of products for your hydraulic needs. In addition, we are members of multiple parts locator networks.

**Main Pumps • Swing Motors • Travel Motors
Gear Boxes • Final Drives • Propel Motors**
